

The young visitors will be hosted by Rotarian families who are always in contact with each other. The youngsters will spend 5 days with their host families and a further 7 days in a seaside resort at a residence owned by a club member. The family of a club member will stay at the residence with them, in order to help with any necessities or problems.

From 27th June to 2nd July each day includes a visit to a town in the Salento area in the morning, lunch, relaxation and fun on the beach in the afternoon, and dinner.

All journeys will be made by tourist minibus, with a driver and English-speaking guide.

Members of the host families will take turns in accompanying the youngsters on the planned trips
